Prescription Drugs

Congressman Martin Frost: Making Medicine More Affordable

Fighting to Make Prescription Drugs More Affordable, Expand Choices for North Texas Seniors

Congressman Frost continues to lead the fight to make medicine more affordable for seniors. This year, Congressman Frost has:

- Written legislation to expand access to medicine for North Texas seniors by guaranteeing that every rural pharmacy is allowed to participate in Medicare+Choice.
- Commissioned a new study of North Texas seniors' drug prices.
- Continued fighting for a Medicare prescription drug benefit.

Veterans

Congressman Martin Frost: Honoring North Texas Veterans

For years, Congressman Frost has worked to give North Texas military retirees the health care they were promised when they entered the service, but never received. Last year, Congressman Frost worked to pass portions of the Keep Our Promise to America's Military Retirees Act to provide 1.4 million military retirees and their families a new TRICARE prescription drug benefit and to make retirees 65 and over eligible for supplemental TRICARE benefits beginning October 1, 2001.

Congressman Frost meets with North Texas military retirees at VFW #8561 in Arlington. Congressman Frost initiated the meeting to discuss important new medical benefits for military retirees.

Education

Congressman Martin Frost: Working to Make College Affordable

Last month, Congressman Frost sponsored a *Paying for College* seminar. It was presented in conjunction with experts from Sallie Mae, America's top provider of education loans, for North Texas parents and students. Over 150 families in Arlington and Fort Worth took advantage of this opportunity to discuss college funding with financial experts. Two students won \$500 college scholarships courtesy of Sallie Mae.

Congressman Frost and Sara Davis of Sallie Mae present a \$500 college scholarship to Sam Houston High School senior Kim Kammerer in Arlington.

Sensible Tax Relief

Congressman Martin Frost: Protecting North Texas Priorities, Investing in Our Future

Congressman Frost is working for affordable tax relief for every working family that will not shortchange North Texas' vital priorities and will allow us to invest in Social Security and Medicare, prescription drugs for seniors, and strengthening our national defense.

Rep. Frost's Common Sense Priorities for North Texas

Real Tax Relief	Protecting North Texas Priorities	Investing In America's Future
Sponsored law to allow Texans to deduct sales tax from federal income taxes (H.R. 322).	Working to save Community Police from budget cuts - COPS has put 378 police on the street in the 24th District.	Social Sec./Medicare: Supports paying down the national debt to strengthen Social Security and Medicare for the future.
Voted to eliminate Marriage Penalty for every family that pays it (RC #73, 3/29/01).	Fighting to protect Johnson Creek funding from cuts to Army Corps of Engineers.	Prescription Drugs: Supports using surplus to provide a voluntary Medicare drug benefit for every senior.
Voted to eliminate estate tax for all estates up to \$4 million (RC #82, 4/4/01).	Fighting against huge cuts to Economic Development Admin. that has funded the Guinn School and other growth initiatives in SE Fort Worth.	Defense: Working to ensure there is needed funding to upgrade our national defense and improve troops' quality of life.

Make Your Voice Heard

How should we use the budget surplus: Do you want a bigger tax cut or more money for programs like COPS and Prescription Drugs? What action can we take to make our schools better and safer? How should we strengthen Social Security and Medicare for the future?
